

Become an HVAC-R BACKER

Support ASHRAE's mission in 2017-18 while promoting your business

The Illinois Chapter ASHRAE (American Society of Heating, Refrigerating and Air/Conditioning Engineers, Inc.) hosts numerous educational, technical and social activities and events each year. These events bring together hundreds from the Chicago area's premier HVAC&R community – systems designers, consulting engineers, contractors, teachers, government officials, and manufacturers representatives. As an ASHRAE HVAC-R BACKER your company will not only provide vital support for these activities but also help fund ongoing chapter-level scholarships and ongoing ASHRAE Research efforts aimed at advancing tomorrow's engineers and technology. Sponsors receive exposure and special recognition all year long at chapter events and in publications received by members of ASHRAE's largest chapter. Several levels of support, as described below, are available. For more information, call 708-636-5819 or write sponsorship@illinoisashrae.org.
